

LOTE

What Chinese words do we use in our classroom when following instructions?

English

What letters and sounds do we use when we talk and write? How do we blend sounds to make words?

Physical Education

How can we control the parts of our body when moving and playing?

Maths

How can we recognise, count and make collections of numbers to 10? How can we sort objects? What are the days of the week? How can we describe 2D shapes?

Science

How does shape and size influence how objects move?

**At
School**

Health

How do I grow, change and feel?
How do I stay healthy and safe at school?

Arts- Dance

How do I use my body to create movement?

Music

How can I use my singing voice, rhythm, movement and instruments to perform familiar songs?

LOTE

What Chinese words do we use to talk about emotions?

English

How do I recount an event I experienced? How do authors show emotions in characters?

Physical Education

How can we control the parts of our body when moving and playing?

Science

How do our senses tell us about our environment? What makes light and sound?

Maths

How do we measure the length of objects? How can we use place value to count and represent numbers? What different ways can we add to 10? How can we show half of an object?

Staying Safe

Health

How do we stay safe? How do we recognise and show emotions?

Arts- Visual Arts

How do we create art that shows emotion?

Music

How can I use my singing voice, rhythm, movement and instruments to perform familiar songs?

LOTE

What Chinese words do we use to describe Australian animals?

HASS

How and why are we connected to places in Australia?

Physical Education

How can we control the parts of our body when moving and playing? Why do we follow the rules when playing games? What can we do to help us win games?

Science

How do we describe living things and the way they grow?

English

What language and techniques do we use when reporting factual information?

Australian Animals

Maths

What strategies can we use to solve addition and subtraction problems? How can we continue counting patterns? How do we represent and compare 2 digit numbers? How do we measure objects?

Arts- Visual Arts

How do we create artworks that represent Australian landscapes and animals?

Music

How can I use my singing voice, rhythm, movement and instruments to perform familiar songs?

Technology

How can we use digital technology to send messages and move objects?

LOTE

What Chinese words do we use to talk about different environments?

HASS

What are natural and man-made landmarks in Australia? How have places in Australia changed over time?

Physical Education

How can we control the parts of our body when moving and playing? How can I show good sportsmanship? What tactics can I use?

Science

What features of living things help us to classify them?

English

What language and techniques do we use to persuade? How do we structure persuasive texts?

We are Australian

Maths

How can we represent and compare 4 digit numbers? What strategies can we use to solve addition and subtraction facts? How do we predict the possibility of events occurring? How do we represent places using grid maps?

Arts- Visual Arts

How do artists represent Australian themes using different techniques?

Technology

How can we use digital tools to present information in an interactive way?

Music

How can I enhance my singing voice? What are the instruments in the string family?

LOTE

What Chinese words do we use to talk about different environments?

HASS

What are natural and man-made landmarks in Australia? How do we use and manage natural resources sustainably?

Physical Education

How can we control the parts of our body when moving and playing? How can I show good sportsmanship? What tactics can I use?

Science

What features of living things help us to classify them? How do living things depend on each other and the environment?

English

What language and techniques do we use to persuade? How do we structure persuasive texts?

Changing places

Maths

How can we represent and compare 4 digit numbers? What strategies can we use to solve addition and subtraction facts? How can we collect and represent data? What are unit fractions? How do we represent places using grid maps?

Music

How can I enhance my singing voice? What are the instruments in the string family?

Arts- Visual Arts

How do people present information using Media Arts to persuade audiences?

Technology

How can we use digital tools to present information in an interactive way?

LOTE

How can we introduce ourselves using Chinese language?

HASS

How do we use and manage natural resources sustainably?

Physical Education

How can we control the parts of our body when moving and playing? How can I show good sportsmanship? What can tactics can I use?

Science

How has the earth's surface changed over time and how to we reduce the impact of human activity?

English

What language and techniques do we use to persuade? How do we structure persuasive texts?

Sustainability

Maths

How can we represent 5 digit numbers? How can we collect and represent data? What are unit fractions? How can we combine shapes to create symmetrical patterns? What strategies can we use to solve number facts?

Music

How can I enhance my singing voice? What are the instruments in the string family?

Technology

How do we collect data to identify problems and solutions? How can we present data digitally?

Arts- Media Arts

How do we view, create and respond to Media Arts that represent issues of sustainability?

LOTE

How can we introduce ourselves using Chinese language?

Science

How do living things depend on each other and their environment? How do living things adapt to their environment??

HASS

What do individuals and businesses need to consider when using limited resources?

English

What language and techniques do we use to persuade? How do we structure persuasive texts?

Physical Education

How can we control the parts of our body when moving and playing? How can I show good sportsmanship? What tactics can I use?

Tourism

Health

How does the media and important people influence attitudes, beliefs, decisions and behaviours?

Maths

How can we represent 4 and 5 digit numbers? What strategies can we use to solve number facts involving larger numbers? How can we manipulate shapes to create symmetry? How do we calculate perimeter? How can we collect and represent data? How do order and represent fractions?

Music

How do we record music to compose? How can we compare music? How can we improve our performance skills?

Technology

How do we collect data to identify problems and solutions? How can we present data digitally?

Arts- Media Arts

How do we view, create and respond to Media Arts that attempt to persuade?

LOTE

How can we purchase items using Chinese language?

HASS

How do businesses meet the needs of their customers?

Physical Education

How can we control the parts of our body when moving and playing? How can I show good sportsmanship? What can tactics can I use?

Science

How can light be absorbed, reflected and refracted?

English

What language and techniques do we use to persuade? How do we structure persuasive texts?

Learn and Earn

Health

How do our emotions, the media and important people influence attitudes, beliefs, decisions and behaviours?

Maths

How do we calculate perimeter? How can we collect and represent data? How do order and represent fractions? What strategies can we use to solve number facts? How can we use estimation and rounding to create simple budgets?

Technology

How can we collaborate in online settings to improve our knowledge and skills?

Arts- Media Arts

How do we view, create and respond to Media Arts that attempt to persuade?

Music

How do we record music to compose? How can we compare music? How can we improve our performance skills?

LOTE

How can we purchase items using Chinese language?

HASS

How do businesses meet the needs of their customers? What are the ways in which energy is created and used? How does this impact upon people and the environment?

Physical Education

How can we control the parts of our body when moving and playing? How can I show good sportsmanship? What can tactics can I use?

Science

How can light be absorbed, reflected and refracted? How can electrical energy be generated, transferred and transformed?

English

What language and techniques do we use to persuade? How do we structure persuasive texts?

Global Warming

Maths

What strategies can we use to solve more complex number facts? How can we compare, convert and represent fractions? How do we read timetables to find information? How can we interpret data displayed in different ways? How do we calculate area and perimeter?

Music

How do we record music to compose? How can we compare music? How can we improve our performance skills?

Technology

How can we collaborate in online settings to improve our knowledge and skills?

Arts- Media Arts

How do we view, create and respond to Media Arts that attempt to persuade?

LOTE

What Chinese words do we use to talk about our interests?

HASS

What are the ways in which energy is created and used? How does this impact upon people and the environment?

Physical Education

How can we control the parts of our body when moving and playing? How can I show good sportsmanship? What can tactics can I use?

English

What language and techniques do we use to persuade? How do we structure persuasive texts?

Science

How can electrical energy be generated, transferred and transformed?

Energy

Maths

What strategies can we use to solve more complex number facts? How can we compare, convert and represent fractions? How do we read timetables to find information? How can we interpret data displayed in different ways?

Technology

How can we use electrical circuits to power devices? How do electrical circuits use binary to present and communicate information?

Arts- Media Arts

How do we view, create and respond to Media Artworks that attempt to persuade?

Music

How do we record music to compose? How can we compare music? How can we improve our performance skills?
